

## About the Foundation...

The Allen Hamner Memorial Foundation is a non-profit Oregon corporation and a 501 (c)(3) tax-exempt organization.

The foundation is named in honor of Condon's long-time pharmacist Allen

Hamner, who died of skin cancer in 2005.

The mission of the Hamner Foundation is to raise money for skin cancer awareness programs and college scholarships. In 2008, we funded the first-ever Allen Hamner Memorial Scholarship for \$250 and we will increase that amount to \$500 in 2009. We also sponsor a sun safety poster contest at Condon Grade School.

Our primary fundraiser is the Eastern Oregon BBQ Championship to be held in Condon on July 4-5, 2009. The competition is sanctioned by the Pacific Northwest Barbecue Association (PNWBA) and attracts teams from around the region. Teams compete in four meat categories (beef brisket, pork shoulder, pork ribs and chicken) that are judged by a double-blind system.

You can read more about the Championship online at [www.condoncookoff.com](http://www.condoncookoff.com).
